

Abbey Hill Parish Council

Dear Resident,

Your Parish Council has plans to brighten the gateways into Two Mile Ash. The first phase of this volunteer-based project will be spring bulb planting at The Approach.

The map illustrates where the bulbs will be planted, starting from the grid road and working into Two Mile Ash:

The Parish Council needs your help to plant these bulbs over the weekends in mid to late October and early November. Further details will be posted on the Parish's website <http://www.abbeyhillpc.org.uk> and Friends of Two Mile Ash group on Facebook <https://en-gb.facebook.com/groups/123611831053050/>

We plan to start at **10AM** each Saturday and Sunday (weather permitting). Please bring your own spade or bulb planting tool. We will start planting on **Saturday 22 October**. We look forward to meeting you.

If you need further details please contact the clerk on 07866 412706 or abbeyhpc@gmail.com
